Lions report good year

The treasurer's year end report shows the Lions enjoyed a successful year with $3,877. turned over to various community projects. The Lions Park got the largest portion with $1,926. spent at the site and $300. which paid off the park project loan. $1,031. went to support the Air Cadet Squadron here, $120. to scholarships and $500. for smaller projects such as Christmas hampers, blind golfers, wheelchair fund and others.

In addition to the actual funds the members through their free time and labor donated substantially to the community projects. The Air Cadets raised $740. for the Lions from peanut night, cadet grants and other endeavours.

The new executive will continue and extend the above major projects in the coming year and presently have plans underway for a number of new service projects for the good of St. Albert and district.

Mrs. Barbara O'Connor presents a cheque for $175. to Hospital Administrator, Gordon Townend, on behalf of the St. Albert Newcomers Club, while assistant hostess of the Welcome Wagon, Mrs. June Kendel looks on at right. The cheque represents part of the funds raised by the club's spring fashion show, and will go towards the purchase of furniture or equipment for the children's ward of the new hospital here. It was presented on Friday June 21st, at Mr. Townend's office in the Fire Hall.

New student award

Following discussion on the recommendations received some time ago from the Chairman of the Awards' Committee of the Administrators' Council, the trustees eliminated parts of the awards program and instituted a new citizenship award.

Attendance Awards presently given to Grades 4 to 12 were eliminated.

The Merit Certificate presently offered to students in Grades 7 to 12 was abolished.

A Citizenship Award Policy will be established immediately: The new award is in the form of a certificate, and to be awarded to any student at any grade above Grade 3 who meets the following criteria:

Purpose – to provide an award for students with academic achievement at or above their estimated capabilities and who also exhibit other worthwhile qualities.

Criteria – A judgement will be necessary for the evaluation of each criteria. Normally the home room teacher would be in the best position to make this judgement after consultation with other teachers and the principal. The criteria named are to be considered essential. This is interpreted to mean that if any of these are missing the award is not to be given.

Academic Achievement:

Students who achieve an average in all subjects that is considered to be a result of satisfactory effort. One kind of student in this category would be one who showed marked improvement over the year.

Participation:

Students who take an active part in worthwhile school activities. This participation can take many forms inside or outside the classroom, i.e. athletics, clubs, library work. The student can take part in many ways, i.e. as a leader, as a helper.

Responsibility:

Students who demonstrate that they are dependabe and trustworthy. This implies a sense of right and wrong in the student, and the ability to act accordingly.

Cooperation:

Students who show a marked ability in working together with others in day by day associations.

Respectfulness:

Students who show in their behavior consideration and regard for others. Politeness and thoughtfulness are forms that this respectfulness can take.

Board approves tender on St. Albert High addition

Final plans and specifications for the proposed addition to the St. Albert High School were submitted by Mr. G. Chernenko at the June 11th meeting of the St. Albert R.C. School District.

The Board recommended that the tender submitted by W. J. Bennett Contractors for a total of $199,371 be accepted, subject to Ministerial approval.

Mr. Maloney stated that after speaking to Superintendent, Dr. Chalmers, he is advised that any reference made by the advisory staff of St. Albert Protestant Separate School District No. 6, regarding the operation of the Opportunity Room in Vital Grandin School, was made without consultation between the three superintendents who are involved with the students attending this instructional area.

Mr. Maloney was questioned as to the enrollment for next year, but he could not answer until all surveys would be completed this month.

Mrs. Ross and Mr. Fraser were named to act as a committee to meet with Mr. L. Wood, who will represent the high school staff, for the purpose of reviewing the scholarship policy of the Board.

Approval was given Mrs. T. Binette and Mr. E. Denney for leave of absence during the 1968-69 ter. The resignation of Miss M. Flak was accepted and the appointment of Mrs. J. Borle to the staff was approved.

Trustees discuss bursary policy

Acting superintendent J. M. Black introduced the following interns to the trustees of St. Albert Protestant School District at their regular meeting June 20th: Mr. and Mrs. Rodgers, Mr. and Mrs. Resler, Mrs. B. Bowerman and Miss Z. Aratan. He also reviewed the internship program. Mr. Harvey welcomed the interns and expressed the wish that they will like teaching in the district and stay for some time.

It was agreed by all present that a meeting be held with the Administrators' Council on Thursday, September 26, 1968, to discuss the need for Teaching Aides in the System.

BURSARY POLICY

Mr. Schroder reported on a meeting of the Bursary Committee held prior to the Regular Meeting, and mentioned that due to the difficulty of obtaining marks of students who have not yet finished high school, the committee recommends that Bursaries be given only to students who have at least two years of university training left to qualify for a teaching certificate. He pointed out that this would allow the committee to evaluate the student's progress before the Bursary is awarded.

Mr. Penrose referred to present Board Policy and pointed out that guideline No. 3 already states that applicants with the least number of years of training remaining would be considered.

Dr. Cuts objected strenuously to the Committee's recommendation. He mentioned that his understanding of the purpose for Bursaries was to encourage students to enter the teaching profession and attend university.

Mr. Penrose moved that the Board adopt the Bursary Committee's recommendation that Bursaries be limited to only those students who have two or less years left to obtain a professional teacher's certificate. The motion was lost.

Mr. Penrose then moved that the Board refer existing Policy to the Bursary Committee for review and for their recommendation of any changes necessary. This motion also did not carry.

Despite the not-too-cooperative weather last Saturday the children of the ceramics classes, operated by the Craft Guild, together with their instructors enjoyed a session of outdoor firing, using primitive methods to fashion ceramic ware. Following their classes a weiner roast around an open fire in Lions Park culminated a successful season. Gazette photo.

In this method, the pots are placed round a slow fire which is enclosed in a low brick circular wall and allowed to dry out gradually. When this process is completed, the pots are picked up, placed on a grating elevated slightly on stones or bricks and a really blazing fire is built around them, pyramid fashion. Then when this has died down somewhat the fire is doused with grass clippings, dry pine or spruce boughs or any other organic material and the pots are allowed to cool. They are then removed, blackened somewhat, smoky but very interesting looking.

CRAFTS

The children's ceramic classes are now over for the summer - they ended on Saturday with a primitive firing and a weiner roast at Lions Park.

There is the exciting prospect of new premises in the form of the Arts Centre which has been proposed. In the past the ceramics classes were conducted in a room in the basement of the community hall but with the greatly increased registration this accommodation has now become inadequate. The Craft Guild, who sponsors the classes, will be sorry to sever their connection with the Community League who have always been most co-operative.

SWIMMING

On Dominion Day, the attendance at the pool was 1111!

A strenuous game of waterpolo last Thursday ended with St. Albert losing to Queen Elizabeth 3 - 1. Diving and scuba diving classes will be started if enough interest is shown. Enquiries can be made at the pool. On Sunday, July 7 at 9:30 p.m., a Mile Swim will be held. Anyone wanting to test their powers of endurance is invited to come along to the pool at that time.

TRACK AND FIELD

Track and Field meets in Grosvenor Park Playing Field (near the skating rink) at 9 a.m. on Thursday.

MEN'S FASTBALL

In recent games St. Albert Drive-In won over Calahoo 7 - 1 and Spruce Grove kept their winning streak going by beating St. Albert Texaco 25 - 9.

The Sports Day at Spruce Grove which had to be re-scheduled because of rain will take place on Sunday, July 7.

TENNIS

When St. Albert met Hillcrest recently for the second time they were again the winners 3 - 0. Judy Wood secretary of our local club, has been appointed as secretary of the Alberta Lawn Tennis Association.

Around Town

Mr. Earl McMillan, accompanied by Mr. Frank Booth, returned home from a holiday trip to Peace River Dam, Vancouver and Troy, Montana.

Mrs. D. Robinson of 9 Gresham Blvd., has qualified as an instructor in the popular handicraft "liquid embroidery" and has been appointed to serve this area for products of Tri-Chem Inc. She will present sessions at local clubs and at private home parties on the decorative hobby. The classes are offered without charge to interested local people.

Thank You

I would like to extend my sincerest appreciation to all of the people of St. Albert who worked so enthusiastically for our campaign in the recent election. The results in St. Albert reflected the work and enthusiasm.

May I also express my deep appreciation to all of those who supported the Liberal party at the polls.

To me the most rewarding part of the whole experience was the opportunity to make so many new friends.

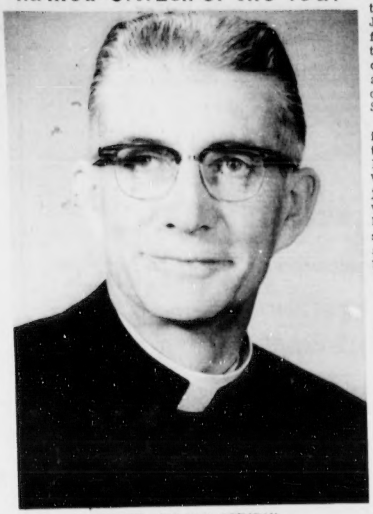
Father Primeau named Citizen of the Year



FATHER GEORGE H. PRIMEAU.

The Reverend Father George H. Primeau who was named "Citizen of the Year" in Morinville was the first winner of the award which has been established as an annual part of the Frontier Daze celebrations. Nominations were invited from the residents and a panel of judges appointed to select the winner. Father Primeau is pastor of St. John The Baptist parish.

Reverend Father Primeau was named the "Citizen of the Year" at the close of the "Frontier Daze" in Morinville, Sunday, June 23.

Mayor Art. Stapleton presented him with a handsome trophy, donated by the Lion's Club.

Father Primeau was transferred from Legal to Morinville in January 1966. His sharp wit, keen sense of humor and warm community spirit are well known to all those who have been fortunate enough to work with him and for him. He considers it a privilege to serve his community and he has succeeded in awakening a like spirit in his fellow-men.

He has taught, by example that the members of a community can be closely knit in bonds of christian charity only by their "togetherness" both in work and in play.

No one could be more deserving of the Citizen of the Year award.

The judges were: John Wozny, president of the Board of Trade, Harry White president of Frontier Daze, Bill Krauskaupf, Grand Knight of the Knights of Columbus, Mrs. Vince Curtis, president of the Catholic Women's League, and Evelyn Lavallee, president of Les Femmes Chretiennes

Come to Fete au Village

The gala two day festivities at the Fete au Village July 27 and 28 will again feature the $1000 baseball tournament with eight teams competing. Games will run at 12, 2, 4 and 6 p.m. Saturday, and at 12, 3, and 6 p.m. Sunday.

All you baseball enthusiasts make plans to take in this big ball tournament at Legal's Summer Festival. While your there enjoy a juicy barbecue steak that will sizzle from the grate both days for a delicious supper. Chefs Leon Brisson and Roland Prefontaine will be ready to serve their specialty steaks at 5 p.m.

Outstanding entertainment on the bandshell will be provided both days free of charge. You can sit and relax while you enjoy entertainment by local talent and performers from the surrounding districts, Vimy, Morinville, St. Albert, Edmonton, Bon Accord and Thorhild.

Mrs. Georgette (Pare) Vandenhouten, Mlle Fete au Village 1967, will crown the Queen of this year's contest for the Fete au Village title at 7 p.m., Sunday evening. This will be followed by the highlight bandshell performance by the famous and well known "Birthquakes". This cast of 14 performers will entertain you for one hour and a half with a variety of numbers. The gay celebrations will be capped by a huge display of fireworks.

Get out your Klondike garb or come as you are to the Legal's Fete au Village on July 27 and 28.

Vimy girl weds Edmonton man

A beautiful wedding took place on June 29 when Miss Laurette Jeanne Ringuette was married to Mr. Grant Laughy. The bride is the daughter of Mr. and Mrs. Henry Ringuette from Vimy and the groom is the son of Mr. and Mrs. Harold P. Laughy from Edmonton. Rev. F. D. Stein performed the double ring ceremony in St. Patrick's Roman Catholic Church, Edmonton.

The radiant bride, given in marriage by her father, wore a floor length gown of chantilly lace and silk organza. The bodice of chantilly lace enhanced the empire waist line and the A line skirt was accented by lace appliques. The silk organza train cascaded from the shoulders and was held in place by a bow of organza. Her silk illusion veil was held by a pearl princess style crown and a bouquet of pink roses completed the ensemble. Bridal attendant was the bride's sister, Miss Therese Ringuette who wore a floor length turquoise dress of chiffon over taffeta. Her flowers were pink roses. The groom was attended by Mr. Bryan Towick while the guests were ushered by Mr. Leo Ringuette and Mr. Clarence Dubois. During the ceremony solos were rendered by Mr. C. Kinghan.

Mrs. Ringuette chose a turquoise coat and dress ensemble of french lace complemented by white accessories, and yellow roses en corsage. Mrs. Laughy wore a light turquoise coat and dress ensemble of rayon weave, which was trimmed with beads. Her flowers were also yellow roses.

A banquet for 110 guests was served in the Vimy community hall where the head table was decorated with a three-tiered wedding cake flanked with white tapers. Uncle of the bride, Mr. Leonard Blanchette proposed the toast to the bride.

For her wedding trip, the bride chose a mint green two piece suit with white accessories and a corsage of yellow roses. On their return, the happy couple will reside in Edmonton.

Out of town guests were Mr. and Mrs. Ron Nobbs, Mr. and Mrs. G. Keith, Mr. and Mrs. R. Gowe, and from Winnipeg, the bride's brother, Mr. Raymond Ringuette.

Costume parade

The Fontier Daze Costume Parade was a grand success with many entries in each of the three categories. A big thanks to all who participated, and congratulations to the winners of the first promenade.

First prize in the family grouping went to Mr. and Mrs. Marcel Rivet and family for the best family group entry; second winners were Mr. and Mrs. Ralph Brenels and family; honourable mention was given to Mrs. Lorette Blackburn and family.

First prize in silk costumes was awarded to Mrs. Joe Tellier; second to Mrs. Bridgette Hittinger and honourable mention to Mrs. Claudette Turgeon. In the cotton category, first prize went to Mrs. Florence Florence Vranas; second to Miss Carleen Brenneis and honourable mention to Mrs. Ann Dupuis.

A very special thanks to Judges, Mrs. Marilyn Hemsing, Mrs. Dorothy Rigney and Mr. Leo Douzlech for a job well done.

HOME DECORATING CONTEST

The theme for the Home Decorating contest held this year in conjunction with Frontier Daze was Landscaping and Originality and Mrs. R. De Tonnacour convened the project.

Marcel Pelletier won first prize with Romeo Froment as runner-up and Roger Blackburn in third place. Judges were Mr. R. A. Gate parks and recreation superintendent of St. Albert and Mr. Beedle, parks and recreation supervisor, also of St. Albert. They awarded honourable mention to the following:

Antinno Brisson, Joe Krauskopf, Edward Lesburge, Rachel Morissette, Hector Ricard and George Skinkowy.

Those in charge wish to congratulate all those citizens of Morinville for their cooperation to help make the town a more attractive place to visit.

A farewell tea and social evening was held at the school gymnasium in honor of the teachers who are leaving at the end of the school term. Mr. Paul Gagne was master of ceremonies and addresses were read by Mrs. Lillian Bilodeau and Mr. Paul St. Arnaud. Mr. Gagne then presented each teacher with a token of appreciation. Rev. Sister Vaugeois made a brief speech on behalf of the teachers. We wish them success and happiness in their new endeavors and are assured their good works will remain with us for a long period of time.

Mr. Fortunalt Bernard was feted in the community hall on the occasion of his 82nd birthday. All of his 10 children were present except Mrs. Walter (Louise) Cunningham from Camp Borden, Ontario. A tasteful supper was enjoyed by all. Mr. Bernard has 36 grandchildren and 13 great-grandchildren.

Thibault trustees meet

At their regular meeting June 4 the Thibault School trustees heard a suggestion from Father Beaupre that the board appoint a chaplain for the school. He was advised that an invitation had already gone out to the United Church to have a chaplain visit the school.

A contribution of $20 was approved for the A.C.S. T.A. Kinderwater fund.

The senior principal presented a firstline proposal of staff changes and discussed this matter with the board.

A motion that the Bursary policy be changed to $400 for a teaching commitment for one year was lost.

It was decided that the board would not provide bus transportation for year-end class outings and the staff was notified.

A motion carried that if any teacher undertake to arrange transportation for students, no charges be made to the student unless the transportation provided is by a properly insured conveyance unit.

The firm of Delottte, Plender, Haskins and Sells were appointed auditors for the school district for the year 1968.

Legal wins two tourneys

Legal senior baseball club has been successful in early season competition. At the Half Moon Lake tournament they defeated two teams to take top money.

The Legal Club defeated Redwater in their first game by a score of 5-1. The winning pitcher was Leonard Boisvert. In the final Legal defeated Morinville by a score of 11-5. Brian McConaghy was the winning pitcher with Robert Holzer handling the relief pitching.

FAWCETT TOURNEY

On July 1, a baseball tournament took place at Fawcett. To begin the day Legal Seniors defeated Athabasca with a score of six to three. The second game on schedule was Fawcett and St. Albert. Fawcett defeated St. Albert nine to one.

The third game was Linaria versus Pembina All Stars. And the result was 12-0 in favor of Linaria.

To determine the winning team of the tournament play offs were played between Legal and Fawcett. Legal won 14-1 after five innings. Legal then played Linaria and won 13-5 to win the tournament.

There was another event that took place, that determined which team would be "King of the North". This included a few members of each team competing in squaw wrestling, tug of war, wood cutting and pillow fighting. Finally the "King of the North" was Linaria with the most points. 13, Legal 11 and Fawcett eight.

County hears talk on Hanson Report

At their regular meeting on June 13 the council of the Municipal District of Sturgeon heard an informative talk on land annexation by the City of Edmonton and the Hanson report on the subject, by Mr. George Liquori Mr. Liquori worked with Dr. Hanson on the preparation of the report to the City of Edmonton.

He was mostly involved in preparation of statistics, assessments etc. He stated that he definitely did not concur entirely with the resume of Dr. Hanson's recommendations. He is of the opinion that the City does not require nor need the 300 square miles of area as recommended while the other Municipal Authorities from where the land is to be taken do need such areas for survival in relation to taxation and necessary revenues from such. A City to be viable does not need such large areas as recommended by Dr. Hanson. He suggested that this Municipality and other Authorities affected should have a meeting with the City of Edmonton officials to discuss the various problems together and thus avoid friction. He felt that dealing directly with the Provincial Government instead of applying to the Local Authorities Board by the City of Edmonton was a good recommendation of Dr. Hanson. He endorsed Premier Manning's suggestion that a study should be made as to what sized area is considered to be an efficient City area. In his conclusion, he highly recommended negotiations with the City officials in order to discuss the various problems which are in most cases very similar. He stressed the importance of good communications between authorities affected.

Council appointed Reeve Walker as this Municipality's representative on the Annexation Committee having as an alternative, Deputy Reeve Kluthe.

Messrs. Taylor and Mitchell of E.M.O. attended the meeting in order to explain the Survival Plan of the Edmonton Area E.M.O. Mr. Mitchell requested the council to adopt the plans submitted for the Edmonton E.M.O. area. Council adopted the plans as submitted.

VILLENEUVE EAST ROAD

(SW 20-54-26-4) The Public Works Committee reported to the council that the road in question had been gravelled during the early part of this year and is presently in good condition and would be so for the next couple of years for local traffic.

Council authorized Consolidated Concrete to haul 72,000 pounds loads on the Villeneuve east road to Highway No. 2 subject to the following conditions from the company:

1. Said Company is to provide dust control on the road.

2. Accepts responsibilities to maintain gravel for a two year period at which time the Municipality will consider regravelling.

3. Rebuilds any portions of said road which are damaged by their trucks.

4. Patrol maintenance of the road is to be shared by this Municipality and the Company on the basis that the Municipal District accepts the cost of $150. per mile per year and that all additional costs above said amount be paid by the Company.

5. All maintenance with the motor grader is to be carried out by the Municipality.

6. Consolidated Concrete to post a performance Bond in the amount of $50,000.

The legal aspect to not allow other Companies to haul 72,000 pound loads on said road until a similar agreement is reached with them is to be checked.

Mr. Gabbey's request for the cancellation of the old road diversions was not granted for the reason that there are oppositions to such by property owners in the area.

MONTHLY STATEMENTS

The following is a resume of the statement that was submitted to the Council by the secretary treasurer, and adopted.

Net Balance at the end of previous month	$247,486.85
Interest on Short Term Deposit	1,720.72
Receipts for the month	317,234.67
Sub Total	566,442.24
Less Disbursements for the month	444,924.89
Net Balance at the end of month	121,517.35

The secretary treasurer read to the council the Expenditure Control Statement which was adopted.

General Government, 31,176.42; Protection to persons and Property 10,528.55 Public Works, 185,463.78; Health, 33, 357.95; Social Welfare 5,394.93; Education 253,817.25; Capital Expenditure 94,503.07; Miscellaneous 991.41.

Total $615,233.36.

TAX RECOVERY SALES

By-law was given three readings covering an offer received from Euclide Villeneuve to purchase the Pt. SW 36-54-23-4 for the sum of $1,000.00 - Cash Sale.

The offer was accepted subject to the approval of the Minister of Municipal Affairs.

By-law was given three readings covering an offer received from Douglas H. Ross to purchase the Part North East 10-57-23-4 containing 22.07 acres more or less for the sum of $600. Cash. The offer was accepted subject to the approval of the Minister of Municipal Affairs.

The secretary treasurer read Mr. Stack's report which dealt with the following items: Expenditures on Road Maintenance of May 25, 1968 - spent $22,982.50 General expenses (gravel etc) 40,680.39, Road Construction 18,552.87. The Municipality has gravelled as of the beginning of this year 79 1/2 miles of road at a cost of $66,606.94. There has been a total of 27,879 yards taken from the M.D. gravel stock pile located south west of Villeneuve.

Moved that the superintendent of public works report be received by the council.

GRAVEL SALES

Council rescinded the resolution passed at the council meeting December 14, 1967, which authorized the sale of gravel from the Municipal Gravel Stockpile. It was moved that removal of any gravel from the Municipal Gravel Piles be authorized only by resolution of council.

APEX GRAVEL

Mr. Peterson of Apex Gravel Ltd., interviewed council in regard to leasing the following road allowances for gravel removal purposes: 1) S of Pt SW 36-55-22-4; 2) E/ of SE 25-54-27-4 and 3) W/SW 30-54-27-4.

He assured council that his company would remove the gravel then refill the depression and construct the roads in question wherever gravel was removed in accordance with council's wish His request was referred to the public works committee for investigation.

Evergreen Road: Maintenance requirements were discussed with Mr. Peterson and he stated that his company was not the only firm travelling said road such as Dale Bros, Dairy Trucks and School Buses. He felt that his company should not be held entirely responsible for the cost of gravel and maintenance of the Evergreen Road. He assured the council that presently his company's trucks were not overloading but staying within the maximum weight of 45,000 pound loads.

The public works committee will carry out an investigation of the Evergreen Road and attempt to make arrangements with all the companies using this road to share in the cost of proper maintenance and gravelling.

Mr. George Bell of Premier Fasteners Limited attended the meeting in order to familiarize the council with his company's products available such as drill bits, grader blades, bolts and other various items. Reeve Walker thanked Mr. Bell for the information given.

Mr. Fortunalt Bernard pictured above cutting his cake on the occasion of his 82nd birthday.
